

Cafe Touch Screen POS Software

Your customers won't wait

Created by restaurateurs for restaurateurs, Dinerware is designed from your point of view. Keep those lines moving and your customers happy. Forget about a back-office machine - just add a menu item or new employee on the fly, from any terminal without disrupting business.

Fast Pay™

Sell an item in TWO TOUCHES! Available from any terminal, Fast Payworks well for high volume traffic in fast-paced cafes.

Discount Rules

Drink specials made easy! Create manual comps, coupons and automatic discounts in seconds. Define a discount rule fast -- select which items, during what times or days, how prices are affected and more.

Menu changes

Add a new menu item at the last minute. Make real time menu changes from any terminal without a restart.

Customer Smart Search™

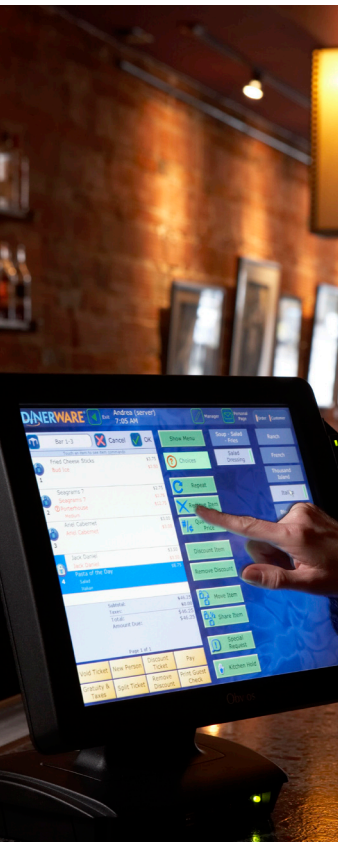

Look up any customer and view a menu of favorite items! Delight customers with the ability to recall and order their favorites instantly.

Instantly access reports with Live System™

Use reports to monitor job performance, payroll hours, voids, daily sales and more. Export data to Excel, .csv, .pdf and other formats.

Fresh Sheet tracking

Fresh sheet to track and count down limited-quantity items like pastries.

Dinerware helps keep your morning line moving.
