

Nightclub / Bar Touch Screen POS System

Be ready for the rush anytime with a system that can take the heat and keep you in control

Created by restaurateurs for restaurateurs, Dinerware is designed from your point of view and enables you and your staff to take care of lines fast, open tabs and accommodate guests who mingle.

Two-touch Fast Pay™

Sell an item in TWO TOUCHES! Available at any terminal, Fast Pay works well for high volume, fast-paced nightclubs and bars.

Happy hour discount rules

Create comps, coupons and automatic discounts in seconds. Define a discount rule fast — select which items it affects, during which hours or days, set how prices are affected and more.

Menu changes

Add a new menu item at the last minute. Make real-time menu changes from any terminal without a restart.

Customer Smart Search™

Look up any customer and view a menu of favorite items! Delight customers with the ability to recall and order their favorites instantly.

Instantly access reports with Live System™

Use reports to monitor job performance, payroll hours, voids, daily sales and more. Export reports to Excel, .csv, .pdf and other formats.

Repeat items

In a few steps, order another round of drinks for everyone at the table. Perfect as a fast, efficient way to sell more to groups.

Dinerware helps you provide superior, professional customer experiences every time.
